## FROM THE PRINCIPAL

*Dear Parents,*

### Education Week

*This week we will be celebrating Education Week. The children will be involved in different activities in their classrooms around the "Celebrating Careers" theme.*

*Tuesday is Open Day and I am looking forward to meeting prospective families and taking them for a tour of our school as they may be interested in enrolling their children in Foundation next year.*

### NAPLAN

*The Grade 3 and 5 NAPLAN (National Assessment Program – Literacy and Numeracy) Testing was held last week. We are very proud of all the children and congratulate them on putting in their best efforts. Parents and schools will not receive results until later in the year. A big thank you also to the teachers for helping prepare children so that they were comfortable in sitting the assessments.*

### Bullying /Cyber Safety Presentation

*Tomorrow Senior Constable Robbie Nogglor will once again be coming in to speak to all of the Grade 3-6 children about Bullying and Cyber Safety . This is always a very valuable and informative session as Robbie gives the children many strategies to keep themselves safe. Parents are more than welcome to attend and we strongly encourage you all to do so. The session will run between 2:10 - 3:10 p.m. in our school gymnasium.*

### Children Arriving at School Early

*Can I please remind parents that staff are not on duty in the mornings until 8:40 a.m. We have a few children who sometimes arrive at school before 8:00a.m. This is far too early for children to be arriving at school. They remain outside in the cold and wet unsupervised, as we do not have staff here at that time. While we do not want children being late, we ask that children are not here earlier than 8:30a.m. for their own health and safety. We appreciate your support with this.*

### Illness

*Currently we have many children presenting ill with colds, flu and viral symptoms. Whilst we expect children to attend school daily we ask that you keep your child at home if they are sick. Illness spreads quite quickly across the school and we try to prevent this from happening. We do not have the capacity in sick bay to keep children here all day unwell.*

### School Levies

Just a reminder that payment of school levies is due by the end of this term. These levies cover the payments for excursions and activities the students attend. Our School Council policy is that children who have not had their student activity levies paid will not be able to attend future excursions. Please make payment before the end of this term if you have not already done so and see Mrs Keilar in the office if you need to discuss payment concerns. We appreciate your cooperation with this.

### Assembly On Friday

Assembly will be held Friday afternoon at 2:40 p.m. in our school gymnasium. Grade 1/2W will be presenting an item. We hope you are able to join us.

**Anthea Lagadinos**

**Principal**

### Friendly Reminders:

- **Assembly Friday at 2:40p.m.**
- **Full school uniform must be worn every day.**
- **"Every Minute Counts" (It's Not Okay to Be Away or Late to School.)**

# Important Women's Night

It was a fun night. The students got to make puzzles to take home.

Thank you to everyone who attended.

## Welfare Corner

### Resilience Rocks – The Playground Craze

In week three of our online course, we have covered the following:

#### Set your goals

We looked at '**Needs vs Wants**'.

We discussed what is the difference between 'need' and 'want'. A need is something you cannot do without, like food or clothes. A want is something that you would like but it is not an essential item.

We discussed whether you have ever made a deal with your parents to work towards getting something you want.

We then discussed goal setting and looked at the following questions:

What is your goal?

How will it feel when you have accomplished your goal?

What are three things you need to do regularly to work towards your goal?

When would you like to achieve your goal?

In week 4 of our 'Resilience Rocks' online course, we look at '**Be Different, Be You**'.

We discuss the following questions:

Why is it great that people are all different?

How are we different from each other in our class?

What things do you each like to do that is different from other people?

What makes you unique?

It's important for us all to find our own identity and to be ourselves.

(From The Playground Craze, Resilience Rocks online course).

As always, I encourage you to discuss these lessons with your child/ren as this is lifelong learning.

# BREKKY CLUB

It is nice to see so many smiling faces sitting eating breakfast at brekky club but to keep this going we are in need of; jam, bread, milo and margarine.

Any donations of these items are greatly appreciated.

## Canteen News

Being the colder months there is warm chicken noodle soup available for this term.

Reusable lunch bags are available from canteen for the price of \$10. These are available in a range of colours.

PIZZA DAY was a great success. Many of the kids are asking when the next one is as they enjoyed it so much. Thank you for your support of the canteen.

Just a reminder that frozen yoghurt is not available now until Term 4.

Thank you

Susie Harvey - Canteen Manager

### Earn and Learn runs from May 1st to June 25th

If students could please collect the stickers and place them on the sheets (located in the office). Then put them in the box at the office. We are able to get great resources from this and all support is much appreciated.

### Education Week

May 19th to 25th

Education Week runs from May 19th to May 25th as part of this week our school has an Open Day for future students on May 21st. We are also having some activities in our classroom as part of our weekly program

# Awards
