FROM THE PRINCIPAL.....

Dear Parents,

A Great Week

We have had an enjoyable week and are proud of our children who are working so well.

A big thank you to all our staff for their efforts and to all parents for your continued support.

We were very lucky to have Mr Adamou, Principal of North Geelong Secondary College, attend our assembly last Friday to present us with a special gift of a 'Friendship Seat.' This gift was made for our school by the NGSC VCAL class of 2021. We are very appreciative and will place this in our grounds for our students' use.

Important Women's Night and Mother's Day Raffle

Important Women's Afternoon was held on Thursday 5th May and it was so pleasing to see many of our families represented.

We hope you enjoyed the gifts the children bought home for you for Mother's Day and a very big thank you to all our staff who donated the gifts for the Mother's Day Raffle prizes. This is much appreciated I'm sure.

Hats

From the 1st of May children have not been required to wear their hats outside unless the UV index is 3 or above. However we ask that children try to always have their hats at school as the UV index can change quite often and when it is warmer it is sensible for children to wear their hats.

Student Absences

Government regulations state:

"..All Victorian government schools must contact parents/carers as soon as practicable on the same day of an unexplained student absence.

This requirement supports student safety and wellbeing. Schools need to know when and why a child is absent, and parents/carers need to know if their child is not at school. Prompt communication also promotes daily school attendance.

Parents and carers must notify the school of their child's absence as soon as possible on the day of absence using the school's preferred method, including online, by telephone or by email."

To support this regulation we have the COMPASS notification process in place where parents receive a text message at 9:30 on the day their child is absent unless we have been notified about the absence prior to that time.

NAPLAN

Our Year 3 and 5 children have been sitting the NAPLAN Assessments over the past two weeks which have been online for the first time. We are very proud of the children for putting in their best and most positive efforts.

Uniform Reminders

Thank you to all of our families who continue to ensure that their children are dressed in the School Council approved uniform items. We greatly appreciate your co-operation with this as our children continue to look wonderful and we get many comments on how well they are dressed and how smart our uniform looks.

We do however have some children who continue to wear unapproved clothing or jewellery items and many children who have hair shoulder length or longer are forgetting to tie it up. It is essential that they do so for health and safety reasons. Children (girls and boys) who have hair at shoulder length or longer and have not tied it up will be given a rubber band and will be required to tie it back as we have a duty of care to fulfil. Children are also not permitted to dye their hair any colour which is not natural hair colour. We have included another copy of the Uniform Policy in this newsletter.

Please see us at the office if you are having issues with uniform.

Positive Start In 2022: Free Holiday Camps

The Victorian Government has committed to supporting the health and wellbeing of all children and young people, and is offering the chance for eligible students to attend a free camp program as part of the Positive Start in 2022 initiative, during the 2022 school holiday periods.

Please read the information attached with this newsletter.

Being COVID-Safe

The Victorian Government has announced some important changes to COVIDSafe measures for schools that will apply from the start of Term 2.

Face masks

From 11:59 pm Friday 22 April, face masks, while recommended, are not required in any school setting. This means students in grades 3 to 6, staff and visitors in primary schools are no longer required to wear face masks. Any student or staff member who wishes to wear a mask may do so, including those who are medically at-risk.

Screening requirements

Students who have tested positive for COVID-19, and have completed their 7-day isolation period, now do not need to undertake rapid antigen test (RAT) screening for 12 weeks after their release from isolation. This was previously 8 weeks.

Household contacts

Students who are household contacts of a COVID-19 case are not required to quarantine. They may return to school as long as they undertake rapid antigen tests (RAT) 5 times during their 7-day period. They are required to notify the school that they are a household contact.

Students aged 8 years and above who are household contacts are required to wear face masks when indoors at school unless they have a valid exemption.

If a student household contact returns a positive RAT result, they must isolate for 7 days.

If you have any concerns about getting your child vaccinated, please get in contact with your GP or another health professional who can answer your questions.

Vaccination requirements for visitors to schools

Parents, carers and other adult visitors (not performing work) are no longer required to show evidence of two doses of COVID-19 vaccine..

RAT screening program reminder

RATs will continue to be supplied for the first 4 weeks of Term 2 to support the early detection of COVID-19 in our school.

The testing recommendations will remain the same this Term for students and staff with: mainstream schools – recommended to test at home twice a week.

(Our scheduled testing days for BPNPS are Mondays and Wednesdays)

As we approach winter and flu season, the vaccination of children aged 5 to 11 and booster shots for students 16+ remains the best way to ensure protection for students and staff.

If you have any concerns about getting your child vaccinated, please get in contact with your GP or another health professional who can answer your questions.

Important Changes To Our School Arrangements:

- ◇ Students are free to once again play in any areas they wish to and therefore year level cohorts will not be restricted to designated areas.
- ◇ Mixing of cohorts indoors will still be restricted and avoided and limited where possible.
- ◇ Students will be free to enter and leave via any school gate and will be able to enter as soon as they arrive at school. Please remember that we ask that students are, where possible, not at school before 8:40 a.m. as our teachers are not on duty before 8:40 a.m.
- ◇ In the event that students are at school before 8:30 a.m. and are not picked up by 3:25 p.m. they will be taken to our Out of Hours School Care Program for supervision and parents will be charged the fee.

Assembly

Just a reminder that our School Assembly will be held in the Gym at 2:30 this Friday. We encourage you to come along. This week Foundation R will be presenting an item and the Active Travel Committee members will receive their badges. We hope you are able to join us and if you attend we ask that you are please mindful of social distancing where possible.

Anthea Lagadinos
Principal

Friendly Reminders:

- Children, parents and staff to stay home if unwell.
- Hats must now be worn on a day when UV index is 3 or above
- Full school uniform must be worn every day.
- “Every Minute Counts” (It’s Not Okay to Be Away or Late to School.)

Positive Start in 2022: FREE holiday camps

Dear parents and carers

During the past 2 years, the COVID-19 pandemic has meant that many students have missed out on the opportunity to experience outdoor activities in an organised, social and supportive environment.

The Victorian Government is committed to supporting the health and wellbeing of all children and young people and is offering the chance for eligible students to attend a free camp program as part of the Positive Start in 2022 initiative, during the 2022 school holiday periods.

Free camps for eligible students

Camps are a great way for young people to build confidence, experience new activities, learn leadership skills, connect socially and make new friends.

Holiday camp programs can range from single overnight experiences to spending several nights away.

While on camp, your child may enjoy a range of social and adventure activities which could include team challenges, bush walks, orienteering, hut building, cooking, bush walks, painting with nature, rope courses, abseiling and canoeing. Camp providers will make every effort to ensure they are accessible to all students and will list their facilities and supports available on the Positive Start website.

Express your interest today

Places are limited, so if you are interested in this opportunity for your child or children, register your interest as soon as possible.

For further information, including how to register, visit:
<https://vacodata.educationapps.vic.gov.au/PositiveStartHolidayCamps/>
or scan the QR code.

Please also refer to the Holiday Camp Information below.

Once you register your interest, the Department of Education and Training will send you more information about available programs and how you can secure a booking.

School Education Programs and Support
Department of Education and Training

HOLIDAY CAMP INFORMATION

Which students are eligible for free holiday camps?

Students who meet one or more of the following criteria are eligible to attend a free holiday camp:

- attend a school that experienced closures of 5 days or more due to COVID-19 in 2021
- have an approved [Camps, Sports and Excursions Fund \(CSEF\)](#) application for 2022
- have a parent who holds a valid means-tested concession card (for example a Health Care Card, Job Seeker, Newstart Allowance, Disability Support Pension)
- are in out-of-home care (temporary or permanent)
- have a disability
- are from a refugee background
- are indigenous students
- are in the [Navigator program](#)
- are young carers.

When are the holiday camps?

The holiday camps will run in the 2022 school holidays — Term 1 (April), Term 2 (June/July) and Term 3 (September) 2022.

How much does it cost?

These camps are completely free of charge to eligible families. It will not cost you anything for your child to attend the camp. Most of the camps can organise transport from central locations however, for some camps, parents may need to provide transport for their child. Specific information regarding transport will be supplied by the individual camp providers.

How old does my child need to be?

Students in years 3 to 12 from the start of 2022 school year can attend holiday camp programs.

Will my child get to go with their friends?

Your child may be able to go on camp with their friends if they book to go to the same camp and there are places available. However, please note that your child's friends may not be eligible for the Positive Start free holiday camp funding. Only eligible families may book through Positive Start. Remember, your child will also have the chance to make new friends and build relationships with students from other schools.

What types of camps are there?

There will be a list of camps from which that you can choose. Each camp will have a brief description including where it is, the length of the camp (number of days), the dates it is running, how to get there; as well as a list of activities to help you decide which camp would best suit your child.

What general safety measures are in place to ensure camps are safe for students?

Camp facilities and sites are reviewed each year and are accredited by an independent national accreditation scheme to ensure they meet best practice standards and that all students receive the best care. All camp activities are compliant with national safety standards. All staff members have working with children checks and undergo a thorough induction and checking process as part of working with the camp.

What COVIDSafe strategies are in place at camps?

All Positive Start in 2022 camps must put into place a CovidSafe plan that aligns with Department of Health and Department of Education and Training advice. This includes operating under up-to-date CovidSafe practices such as appropriate cleaning, activity design, food service and accommodation density and layouts.

How do I register my interest?

It's easy to register your interest. Simply go to the link below or scan the QR code on the right and complete the registration details. Once you have provided your email address, the Positive Start team will be in touch with more information.

<https://vacodata.educationapps.vic.gov.au/PositiveStartHolidayCamps/>

What happens next?

Within two weeks of registering your child's interest, you will be provided with more information including a list of available holiday camps and how to book.

If you need further information about the free holiday camps before you feel comfortable to register your interest please visit the www.vic.gov.au/positivestart

Poetry Pizzazz! Using Alliteration to describe the students and teachers in the Year 1/2 Team for 2022...

Alliteration happens when words that start with the same sound (not just the same letter) are used repeatedly in a phrase or sentence. Some common examples of alliteration are brand names and character names: There's *Coca-Cola*, *Peppa Pig*, *Donald Duck* and *Mickey Mouse*.

Mr Cleeland's Class: Mighty Mr C

Abby the Apple	Acrobatic Alexis	Cool Charlotte	Dexter the Dinosaur	Damp Douglass	Elexis the Egg	Isaac the Ice cube

Welfare Corner

A sense of belonging

We all need a sense of belonging, by nature we are social creatures. We need to connect to each other and build connections with other people. Children need to feel that they belong, in the family, at school, sport clubs or any other place they are a part of.

A sense of belonging makes us feel valued and supported.

Children need to be able to build relationships with family, peers, teachers, and other adults who come into their lives.

Children at around the age of 5, begin to develop an understanding of the thoughts, feelings, and intentions of others. This builds a foundation for empathy, acceptance, and tolerance of others. Children are often quick to understand peer approval and inclusion once they start school.

For a child to feel loved and valued they need to feel a sense of belonging at home, they need strong relationships with the adults in their lives and with other siblings. Outside of the family, school aged children's most important relationships are with their peers and teachers.

Children need to feel connected in their school community, they need to have a sense of belonging at school. They need to be able to build strong positive relationships with their peers and teachers.

Some tips to help children feel a sense of belonging and connection to the humans in their lives:

- When building relationships within the family, at school or other community activities, it is important that quality time is spent with those people, get to know them, talk to them, and find out
- common interests.
- Encourage your child/ren to make friends. Talk to them about their friends. Encourage your child/ren to have lots of friends.
- Help your child/ren to be able to know and express their feelings
- Help your child/ren to find out what talent they have, interests they have and what they like doing, so they can share this with their peers.
- Encourage your child/ren to get involved in activities at school or in their sporting club.
- Children need to be regular attendees at school, so they build relationships with their peers and their teachers.

These are just a few ideas to help children build a sense of belonging in their world.

'Chill Zone'

Each lunchtime the Library will be open for students to access our new 'Chill Zone'.

This is a calm place where children can come to chill out. The zone is full of sensory activities for children to enjoy such as: mindful colouring, kinetic sand, stress balls and so much more. Some relaxing music plays during the session also.

If you think your child/ren would benefit from some time to chill out at lunchtime, then encourage them to join Mrs. Thomas and/ or Rosalie in the Chill Zone.
