FROM THE PRINCIPAL.....

Dear Parents,

We are very quickly moving through the term. The children and staff are continuing to work extremely well and I thank them for that. They have enjoyed the last couple of weeks with special activities like swimming, Robotics and the Japanese Comedy Show so please chat to your children about their experiences. Thank you also to all our parents who continue to support their children daily and our school. You are very much appreciated.

Grade Area News Item

This week the Foundation and 3/4 children share their learning experiences with you in their Area News item. We hope you enjoy reading it.

School Council Vacancy

We have recently had a school council parent member who has handed in her resignation which results in a parent vacancy for one year.

As this is an existing position we will require nominations.

If you are interested in sitting on the school council for the rest of this year please collect a nomination form from our school office.

Nomination forms are due in by next Friday 17th March 4:00p.m

School Nursing Program

The Primary School Nurse from the Primary School Nursing Program will be visiting our school between 17th – 30th March to:

- *Assess all Prep children with parental consent and other children referred to the school nurse in Grades 1-6*
- *Assess children who have newly arrived from overseas*
- *Follow up with children where school nurse intervention was previously required*
- *Provide advice and health information*

Prompt return of School Entrant Health Questionnaire would be appreciated if you have not already returned it. (The questionnaire provides parents/guardians with the opportunity to raise any concerns with the school nurse they may have about their child's health and development.) This questionnaire was distributed to all Foundation children.

Respectful Behaviours Within Our School Community

When parents, carers and school staff work together as one team, our students do better. Everyone at school, particularly staff and parents/carers, play a role in making school a better place for learning and work. Parents, carers and school staff have a relationship that can last many years. This is an opportunity to work together to create a positive relationship in the best interests of the child. When this relationship is built on respect and trust, students learn better and feel like they belong in the school.

Every member of our school community has a right to feel safe and be protected.

The Department of Education and Training has released the [Respectful Behaviours within the School Community Policy](#) that describes the positive behaviour expected from parents, carers, and other adults in Victorian school communities. The policy sets clear standards of behaviour to create a safe, respectful, and inclusive learning environment for students, staff and adults.

There are also resources to support safe and respectful relationships in our school community, including information about getting involved in the school, advice on how to raise a concern or complaint, and parenting support resources. You can find the new policy and these resources [here](#) You may also see a new poster up around our school, promoting positive behaviour.

For more information on how to engage positively with our school, please contact me.

NAPLAN

Our Year 3 and 5 children will be sitting the NAPLAN Assessments over the next two weeks. This is now an earlier time in the school year. Please communicate with your children that this is only one single test in time and all we ask is that they try their best. We are very proud of the children as they always try their best. Please aim to have your children attend school each day during this period to avoid them having to do catch up testing which can be stressful for them.

School Attendance

Whilst we do not expect children to attend school if unwell or if there is a family emergency we want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes.

Each missed day is associated with progressively lower achievement in numeracy, writing and reading.

Being away from school for one day a fortnight equals missing 1.5 years over 13 years of schooling.

It is also extremely important that children are not leaving early in the school day.

For more information and resources to help address attendance issues, visit:

<https://www.education.vic.gov.au/school/teachers/studentmanagement/attendance/Pages/improve-attendance.aspx>

Assembly

There will not be an assembly held this week due to the Bully Zero presentation for our students. Our next school assembly will be held in the gym next Friday 24th March at 1:00p.m. All parents are welcome to come along.

Year 1/2G will be presenting and Mr Gear will present the SRC leaders with their badges.

Being COVID-Safe

On October 12th 2022 the Victorian Government announced that the mandatory orders around isolation for people with COVID-19 have ended and instead we move to health advice and recommendations for people with COVID-19 or COVID-19-like symptoms.

Our school will continue to adhere to the Department of Health's recommendations to ensure that our school remains a safe environment for our staff and students.

The Department of Health **strongly recommends** that students and school staff:

- who test positive to COVID-19 stay home and isolate for 5 days and do not attend school after 5 days if they are still symptomatic
- who are symptomatic but have not tested positive not attend school. This does not include students with pre-existing conditions such as hay fever.

Parents and carers are recommended to continue to report their child having COVID-19 to both the school and the Department of Health.

We will, however, no longer report occurrences of positive cases to the school community.

We ask parents and carers to continue to remain vigilant in preventing COVID-19 transmission. Any student who is unwell should continue to remain at home. This is about keeping students healthy and well in our school and reducing the spread of both COVID-19 and other respiratory diseases.

Rapid Antigen Tests are available for all Victorians from Council sites. People can get 2 free packs (10 tests) for themselves and 2 free packs (10 tests) for each of their household members.

People with disability and their carers can get up to 4 free packs (20 tests) in line with existing RAT distribution for people with disability.

Parents and carers will be contacted if their child shows symptoms while at school.

Students who wish to wear a mask should continue to do so.

To keep our school as safe as possible, we will also continue to use air purifiers and other COVID-19 prevention measures.

We appreciate and thank you for your continued efforts to keep our school community safe and well.

Anthea Lagadinos

Principal

Friendly Reminders:

- **Children arriving late or leaving early must be signed in or out by an adult.**
- **Full school uniform must be worn every day.**
- **Children must wear hats between the months of September and May or when the UV index is 3 or above.**
- **It's Not Okay to Be Away or Late to School as "Every Day Counts"**

Year 3-4 Term 1

The Year 3-4 students have all made a great start to the year by working hard and settling into new routines in their classrooms. Over the past two weeks students have been

developing their swimming skills during the swimming program.

once again been lucky enough to have Pauline and Kevin visit our school to run the Robotics program.

In Week 6 we have

This term students were given the task of creating a robot that could be helpful at school. What incredible, creative and innovative students we have in Year 3-4!

Welfare Corner

Supporting your child with NAPLAN

Our Year 3 & 5 students will soon be undertaking NAPLAN.

For some students this can cause a level of stress and anxiety.

Here are some steps that parents / carers can do to help prepare your child/ren for NAPLAN:

- Be mindful that how you talk about NAPLAN can influence how your child feels about the NAPLAN test.
- At Bell Park North Primary School, we just ask to children to do their best, they do not have to be the best. Encourage them to do the best they can.
- The routine in the morning before the NAPLAN test is important, try to keep the routine calm and relaxed. Make sure you get your child to school in plenty of time, so they have time to bring their bags etc. in and settle before the test.
- Ensure they get to bed at a reasonable time so they get enough sleep to be able to concentrate. Remember, school aged children need between 9 -11 hours of sleep www.sleephealthfoundation.org.au/factsheets-a-z/203-sleep-needs-across-the-lifespan.html
- A good, healthy breakfast is important as this assists their brain to function at maximum capacity. We all need to feed our brain <https://www.healthdirect.gov.au/healthy-eating-for-children>
- It is normal to feel a little nervous before tests. Feeling a bit nervous can actually help people to do better in tests. Nervousness usually goes away when we take a few deep breaths and begin the test

Here are some relaxation strategies; you can encourage your child to do:

- Take some deep breaths in and then release your breath slowing.
- Think positive thoughts. Encourage your child to use positive self-talk, that they can do the test.
- Encourage your child to do some stretching to relax muscles.
- Have a talk with your child about how they are feeling, get them to write or draw their feelings

I wish all of our Year 3 & 5 students all the best for NAPLAN. If you are concerned about the level of stress your child is experiencing, please talk to your child's teacher or let me know. We are here to support.

Respectful school communities start with respectful behaviour

Parents, carers, staff and students can help keep our school community safe, supportive and respectful.

Good relationships are based on:

Open and honest communication

Trust and respect

Working together

Fair and reasonable expectations by all

These behaviours are **not** okay in our school community:

- ⊗ Threats
- ⊗ Violence
- ⊗ Rudeness

- ⊗ Harassment
- ⊗ Discriminatory and derogatory comments

- ⊗ Aggression
- ⊗ Intimidation
- ⊗ Threatening gestures

This includes in-person, over-the-phone, email, text message, social media and online.

For more information ask your school about the **Respectful Behaviours within the School Community Policy**.

THE LICOLA EXPERIENCE:

Lions Village Licola aims to provide challenging and enjoyable experiences for all. Our leaders and staff are well trained, enthusiastic and imaginative, providing a safe and supervised environment based on the principles of respect, responsibility, care and honesty.

We create a spirit of teamwork and cooperation. It is our aim to challenge participants & encourage them to exceed their expectations by organising and conducting safe and rewarding activities. We encourage participants to have respect for themselves and others. Camps focus on promoting a feeling of self worth in those who feel they have little or none, encouraging them to rise to their potential.

WHO CAN PARTICIPATE:

Children who are 8 - 11 years old. Children must be able to participate in group instruction, live in a community setting, & function within a supervision ratio of 1:6. Selection of suitable children is on a first come first served basis providing the following processes are observed:

1. You have returned the relevant paperwork to your Lions Club representative.
2. You have received confirmation of acceptance from your nominating Lions Club.
