FROM THE PRINCIPAL.....

Dear Parent / Carers,

A Positive Start

We are extremely thrilled to have continued a wonderful start to the school year. The children have now settled well into their new grades and routines and there is an exceptionally positive and calm tone across our whole school. The positive feedback about our school from our new families has been extremely pleasing and reflective of the wonderful school community we know we are all part of.

School Newsletter

Just a reminder that the newsletter is posted every second Monday on COMPASS. The newsletter will not be sent home as a hard copy. If you need assistance with accessing COMPASS please contact Ms Sue, or Mrs Hollier at the office.

Grade Area News Item

This week the Foundation children share their learning experiences with you in their Area News item. We hope you enjoy reading it.

Parent/Teacher Information Sessions

Parent/Teacher Information sessions were held last week and it was pleasing to see many of our parents in attendance. The purpose of these meetings is to allow for parents and teachers to get to know each other and for parents to share any important information about their children with the teachers. I know that both staff and parents found this very valuable. We look forward to working together with you to provide the best learning opportunities possible for your children.

Family Fun Night

Our first Family Fun Event for this year will be held this Wednesday 21st February here at school from 3:30 p.m.—5:00 p.m. We are looking forward to seeing you all here and getting to know our new families. Please come along if you are able to. **Just a reminder that parents are responsible for supervising their children after dismissal at 3:10p.m. Children will not be in the care of school staff after this time.**

Children Leaving Early

Just a reminder to all that children should only be leaving school early for very important reasons. Please try and make appointments in out of school times so that learning time is not lost. Children who have siblings in Foundation should not be leaving at 2:30 with them. They must stay at school until 3:10p.m. If they were to do this each day they would lose 34 hours of learning time for the term. Children in Years 1-6 who leave at 2:30 because their Foundation sibling does will not have their absence approved.

We also ask that parents who are going to pick up their children early ring ahead to let us know so we can get your child ready. This minimises the disruptions to the classroom.

Please remember that Foundation children must be picked up at 2:30 p.m. each day during Term 1.

Your understanding and support around these practices is much appreciated.

Entering School Grounds and Buildings

A reminder that any parent/visitor to our school must come to the office first to check in. This is Department of Education legislation. Parents are not allowed to go straight down to classrooms without checking in at the office first. We greatly appreciate your support with this.

Bike Safety

Can I please remind everyone that children who ride bikes or scooters to school must wear a helmet. It is law that helmets must be worn when riding. Therefore if children ride bikes or scooters without wearing a helmet they will not be allowed to ride home and parents will be contacted to collect them.

Children below Grade 3 should not be riding to school without adult supervision.

Children's Safety

Could I please remind parents that they are not permitted to park in the staff car park as it puts children at risk. We have one parent only who has permission from the school leadership staff to park within the car park. We also ask parents that when they are picking children up they do not call out to them or encourage them to walk / run across the road away from the school crossing. All our children know that they must cross at the supervised crossing. We appreciate your assistance with this in our attempts to keep all of the children safe.

Uniform

Just a reminder that only School Council approved uniform items purchased from Bellarine Uniforms are acceptable for children to wear. If for any reason, be it financial or other, you are having difficulty accessing the correct uniform items for your children please come and see us at the office. There is absolutely no reason why all children should not be able to be wearing uniform according to school policy.

Camps, Sports and Excursions Fund applications

The Camps, Sports and Excursions Fund (CSEF) helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

Payment amounts this year are \$125 for eligible primary school students and \$225 for eligible secondary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions and sporting activities for the benefit of your child.

It is important that funding made available in 2024 supports students to participate in school trips, camps and sporting activities this year rather than being held for future years. This funding can also be used in conjunction with any funding accrued from previous years.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the school office on 5278 3548 and ask for an application form.

You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's [Camps, Sports and Excursions Fund web page](#).

Check with the school office if you are unsure, and please return completed forms to the school office as soon as possible.

Assembly

This term we will hold our school assemblies in the school gym at 2:10 p.m. each Friday to ensure our Foundation students can attend. All parents are welcome to come along. This Friday Grade 5/6C will be presenting an item. Student Representative Council and Green Team badges will also be presented to students.

Being COVID-Safe

The Department of Health **strongly recommends** that students and school staff:

- who test positive to COVID-19 stay home and isolate for 5 days and do not attend school after 5 days if they are still symptomatic.
- who are symptomatic but have not tested positive not attend school. This does not include students with pre-existing conditions such as hay fever.

Parents and carers are recommended to continue to report their child having COVID-19 to both the school and the Department of Health.

We will, however, no longer report occurrences of positive cases to the school community.

We ask parents and carers to continue to remain vigilant in preventing COVID-19 transmission. Any student who is unwell should continue to remain at home. This is about keeping students healthy and well in our school and reducing the spread of both COVID-19 and other respiratory diseases.

Parents and carers will be contacted if their child shows symptoms while at school. Students who wish to wear a mask should continue to do so. To keep our school as safe as possible, we will also continue to use air purifiers and other COVID-19 prevention measures.

We appreciate and thank you for your continued efforts to keep our school community safe and well.

Anthea Lagadinos
Principal

Friendly Reminders:

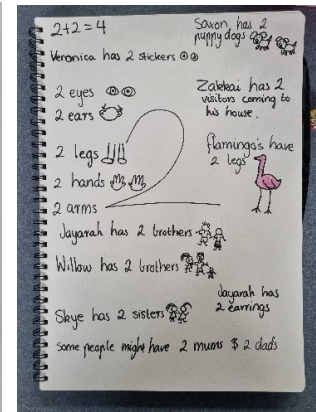

- Newsletters will be posted in COMPASS every second Monday.
- Full school uniform must be worn every day.
- Children must wear hats between the months of September and May or when the UV index is 3 or above.
- It's Not Okay to Be Away or Late to School as "Every Day Counts"

Foundation Term 1

Can you believe it's only been a short while since the Foundation students walked through our school gates for the very first time? Yet, in this brief span, they've already shown us what incredible learners they are! From learning the letters of the alphabet to mastering their 1-2-3s, they've been soaking up knowledge like sponges! Here are some of the things we have been learning about in foundation.

Foundation students have been practising writing their names and the letters 'S', 'T', 'A', 'P' so far. We have been having number talks and discussing all the things they know about each number as well as creating a craft for each number 0-10. Students have been learning school expectations and values as well as things from our Start Right program.

COMPASS ON LINE - What's new in 2024

Bell Park North P.S. is continuing to streamline procedures through Compass. In 2024 the following will be available for Parents.

2024 Parent Payment Arrangements

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. Within our school this support has allowed us to provide some extra funds into topping up the curriculum budgets, purchase a few digital devices and has contributed to cover the cost of heating/cooling units in our gym to make its use more suitable to the students learning needs and versatile in how we use it.

2024 Curriculum Contributions

Foundation Students = \$180 (Curriculum & Other Contributions)

Grade 1 to Grade 6 Students = \$170 (Curriculum & Other Contributions)

These will be listed through the Payments Centre on Compass.

Student Annual Permissions

The 2024 Student Annual Permissions will be available through Compass. These permissions should be available for consent at the end of this week.

Continuing in 2024

Excursions/Camps

All excursions/incursions/camps permissions and payments will be through the Payments Centre on Compass.

Canteen online (Canteen open on Wednesday, Thursday & Friday) of each week.

Camps, Sports and Excursions Fund applications

The Camps, Sports and Excursions Fund (CSEF) helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

It is important that funding made available in 2024 supports students to participate in school trips, camps and sporting activities this year rather than being held for future years. This funding can also be used in conjunction with any funding accrued from previous years.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances. If you transferred to Bell Park North Primary School during 2023 and you received CSEF at your previous school, you must apply at Bell Park North P.S. for 2024.

If you would like to apply for the first time, please contact the school office on 5278 3548 and ask for an application form.

Check with the school office if you are unsure, and please return completed forms to the school office as soon as possible.

Breakfast Club

As our need for Breakfast Club is growing we are in desperate need of Margarine, Milo and Jam. Any donations of these items would be greatly appreciated. Thanks, Susie Harvey, Breakfast Club Co-ordinator

PAUSE PLAN PROCEED

At Bell Park North Primary School, we use 'Pause Plan Proceed' to assist children to manage their problems. This strategy encourages children to stop and think about what is happening and what they are feeling, about the problem. This is a strategy we use everyday in our daily lives, so it is important to teach children this strategy. I have included a copy of the poster which are displayed in each classroom. This is a strategy that children can use at home to solve any problems they may have.

Pause Plan Proceed, requires three steps to problem solve.

PAUSE – STOP, think about the problem, take a deep breath and identify how you are feeling about the problem. It is also a time to use some calm down strategies.

PLAN – THINK – this is where children think about possible solutions to the problem. They can brainstorm ideas, which one do they think is the best way to solve the problem? What will be the consequences? Do they need to get an adult to help? Where possible we encourage them to come up with a solution.

PROCEED – GO – it is time to try their solution, did it work? If it works then that is good. If it did not work then don't give up try another possible solution. If they are still having problems then speak to an adult and ask them to help. This strategy helps children learn problem solving and teaches resilience. It is okay if the first solution does not work, we can try something else. It helps children to learn valuable life lessons.

Please see the attached poster.

If you have any questions about this strategy, please speak to your child's teacher or speak to me, if you would like further information.

SCHOOL SMOKING AND VAPING BAN

By law, smoking and vaping are banned within the grounds of, and within four metres of an entrance to, all childcare centres, kindergartens, preschools and schools.

WHERE THE BAN APPLIES

The smoking and vaping ban applies to:

- anyone present on school premises during and outside of school hours including students, teachers, contractors, parents or carers or the wider community, such as sporting groups
- all activities that take place on school premises including pre-schools, kindergartens, outside school hours care, cultural, sporting or recreational activities and school fetes

Smoking and vaping are also banned within four metres of any part of a pedestrian access point (entrance) to the premises.

The diagram adjacent shows an example of where the smoking ban applies at a school.

WHEN THE BAN APPLIES

The smoking and vaping ban applies at all times, no matter whether the building or school grounds are being used for education purposes or other purposes. The ban therefore applies when other activities are taking place on the school grounds, such as fetes or sporting events, as well as during school hours.

WHY THE BAN EXISTS

To protect children and young people from the dangers of second-hand smoke and vapour

This ban ensures that children and young people can enter and leave these areas without being exposed to harmful second-hand smoke and vapour. Their health is particularly at risk because they have smaller airways and less developed immune systems compared to adults.

To reduce the role modelling of smoking and vaping behaviours around children and young people

Children and young people are more likely to view smoking and vaping as socially acceptable when they regularly see people doing it.

Banning smoking and vaping in areas used by children and young people will discourage children and young people from using tobacco or e-cigarette products.

DEFINING A PEDESTRIAN ACCESS POINT

A pedestrian access point in relation to premises means a door or gate by which a person can enter or exit the premises. It *does not* include an emergency exit that is locked to entry.

It *does* include shared doors or gates. For example, where a building is occupied by a childcare centre as well as other organisations, such as private businesses, any shared entrances that are used to access both areas of the building would be subject to the smoking ban.

Any entrances which lead only to premises not included in the smoking ban, such as the private offices, would not be subject to the smoking ban.

WHAT PENALTIES APPLY

Fines are described under law in penalty units. From 1 July 2020 to 30 June 2021, a penalty unit is valued at \$165.22.

The penalty for breaking school smoking and vaping ban laws is a court fine of a maximum of five penalty units (\$826 as of 1 July 2020) or an infringement fine of one penalty unit (\$165 as of 1 July 2020).

The value of a penalty unit is set annually by the Department of Treasury and Finance and is updated on 1 July each year. For current penalty unit values, visit the Department's [website](http://www.dtf.vic.gov.au/financial-management-government/indexation-fees-and-penalties) <www.dtf.vic.gov.au/financial-management-government/indexation-fees-and-penalties>.

NEWSLETTER TERM 1 EDITION 2

We acknowledge the Traditional owners of the land, the Wadawurrung Peoples of the Kulin Nation and pay our respect to their Elders, past, present and emerging.

We've had a wonderful start to before and after school care this year! It has been great to welcome so many new children into our program.

The children enjoyed some competitive games of balloon volleyball, memory tag, freeze tag, toilet tiggy and bobs and statues! They've also enjoyed using a range of craft materials to make their own craft projects.

Outside on the playground the children have been working on their monkey bar skills and cricket skills.

Bell Park Playgroup

Playgroup commencing **Wednesday 15 February**

Bethany Community Support runs playgroups as part of our Connect Up program, a local service that supports families to help their children thrive

Playgroups connect families to community and provide a place for parents to develop skills and for children to learn. They are also a great way to meet new people and socialise with other families.

For more information regarding Bell Park Playgroup please call **Renae** on **0490 669 510**
